The Friends of The Royal Hospital Donnybrook have had a very busy year raising funds and providing much needed funding for equipment for the patients and residents of the hospital.

The Speech Gym

The Speech Gym was funded by the Ladies Lunch in 2024 and opened in September 2025. This room provides a soundproof space for patients and their families to practise their speech exercises in privacy. This project was headed up by Rosanne head of The Speech and Language Therapy Department.

Elm Park Charity Bridge Night

30th of April, 2025

A big thank you to Olwyn Ryan, President of the Elm Park Bridge Club who nominated The Friends of RHD as her charity for this bridge evening.

We thank her committee for all the hard work that goes into an evening like this and are very thankful to the club and their guests for the generous support.
A massive €5,210 was raised on the night.

34th Annual Golf Day

20th of May, 2025

This year Brendan Lynch & his team organised the 34th Annual Golf Day, where we had 48 teams playing in Elm Park. There were two shotgun starts one at 8.30am and one at 2.30pm.

Each shotgun was followed by a delicious BBQ lunch/dinner and prizegiving.

The silent auction was a great success, with prizes generously donated by Ashford Castle, The K Club, Dromoland Castle, The Shelbourne, The Fitzwilliam Hotel, The Dunraven Arms, Cashel Palace & The Merrion Hotel.

We raised over €38,000. This money was used to purchase a new Specially Adapted Kitchen for the Occupational Therapy Department.

Many thanks to Davy, who sponsored the Golf Prizes and Gowan Group, Mitchell & Son, Clarins, Gleesons of Booterstown, John Taylor Menswear & ALISO Beauty who provided a very generous range of prizes for the raffle.

6th Annual Ladies Lunch

17th of October, 2025

The Ladies Lunch was held in The Garden Room at the Merrion Hotel. Our MC Miriam O'Callaghan, who very generously gives her time, charm and enthusiasm presented the 'Falls Prevention Initiative' with Lisa Byrne who is the Advanced Clinical Nurse in Royal Hospital Donnybrook.

We raised over €29,000 at the lunch and this will fund the specialised Blood Pressure Monitoring Equipment needed for this very important project.
